

THE GUSTAVIAN WEEKLY

April 10, 2010

Dear Gustie Parents:

Gustavus Adolphus College has a campus-wide newspaper, The Gustavian Weekly, run by students. The Gustavian Weekly would like to offer you, as the parent of a graduating senior, the chance to congratulate your child in a very special way. The final issue of The Gustavian Weekly will publish Congratulation Notices for graduating seniors. The Gustavian Weekly prints 1,600 copies each Friday, making it a fantastic way to recognize your graduate publicly. These notices may include one picture of the student, as well as a 30 word personalized statement of your choosing. An example is included in this packet for you to review before purchasing.

What We Need:

- One photograph of reasonable quality
- A legible personalized message to your child of no more than 30 words
- A check to The Gustavian Weekly for \$40.00 sent to:

The Gustavian Weekly
P.O. Box A-6
800 W. College Ave.
St. Peter, MN 56082

The staff of The Gustavian Weekly needs to receive all of the necessary information no later than May 5, 2010. **Production will not begin until we receive a check.** Please be sure to return the included form with your check. You may also submit your information online on our website at weekly.gac.edu. We will contact you by email or phone if we have questions, concerns, or need clarification. We will send your student a copy of the newspaper that contains their Congratulation Notice through their Gustavus PO Box.

Help to make graduation an extra special event for your son or daughter by ordering a Congratulation Notice today!

Sincerely,

Jacob Seamans, Editor-in-Chief
